Dhiraj Ahire

+91 7620571410 ahiredhiraj213@gmail.com Dhiraj Ahire

Technical Skills

Lang : Python,C,C++,Java,HTML, CSS, JavaScript, ReactJS, NodeJS, SQL, PL/SQL, REST APIs
AI/ML : ML, DL, LLMs, NLP, AI Agent, LangChain, RAG | **Databases :** PostgreSQL, SQLite, Firebase
Deployment : Vercel, Netlify, Render, AWS | **Tools :** Git,Github,Cursor,AntiGravity,GPT,Claude Code,Gemini,Codex
Soft Skills: Vibe Coding | Problem-Solving | Adaptability | Team Collaboration | Object Oriented Programming

Education

- **Savitribai Phule Pune University |** SNJB's College of Engineering,Chandwad (Maharashtra) **Sept 2024 - Jun 2027 (Pursuing)**
  Bachelor of Engineering in Artificial intelligence & Data Science

- **Maharashtra State Board Technical Education |** Government Polytechnic Dhule (Maharashtra) **July 2021 - Jun 2024**
  Diploma in Computer Engineering
  Percentage : 84.80%

Work Experience

ScaleFull Technologies LLP **Jan 2026 – Feb 2026**
Data Science-ML/AI Intern *Pune,India*

- Built end-to-end machine learning projects including a Carbon Emission Credit System using data preprocessing, model development, evaluation, and optimization techniques.

- Developed NLP-based chatbot applications using text preprocessing, regular expressions, and basic natural language understanding concepts.

Certifications

AR/VR Bootcamp – C-DAC PUNE
Augmented Reality | Virtual Reality | Unity Engine Basics | AR Foudation | 3D Modeling

AWS Academy Cloud Foundations
Web Services | Cloud Security | Cloud Monitoring
